Terms of Special Enrollment

You and/or your eligible dependents may be able to enroll in the Concordia Health Plan at a later date under the special enrollment provisions if you decline CHP coverage due to coverage in another health plan.

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in the CHP if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage).

However, you must request enrollment **as soon as possible but no later than 60 days** after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment in writing **within 60 days** after the marriage, birth, adoption, or placement for adoption. Failure to enroll within the 60-day period may result in enrollment being delayed until the next open enrollment period.

To request special enrollment or obtain more information, contact Concordia Plan Services Customer Care Team at 888-927-7526.

Please retain this sheet for your records.
