Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	In- <b>Network</b> : \$3,000/individual or \$6,000 /family (medical, prescription and mental health combined) Out-of- <b>Network</b> : \$6,000/individual or \$12,000 /family (medical, prescription and mental health combined)	Generally, you must pay all of the costs from <b>providers</b> up to the <b>deductible</b> amount before this <b>plan</b> begins to pay. If you have other family members on the <b>plan</b> , each family member must meet their own individual <b>deductible</b> until the total amount of <b>deductible</b> expenses paid by all family members meets the overall family <b>deductible</b> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. In- <b>network preventive care</b> services and out-of- <b>network</b> immunizations through age 4 are not subject to a <b>deductible</b> .	This <b>plan</b> covers some items and services even if you haven't yet met the <b>deductible</b> amount. A <b>copayment</b> or <b>coinsurance</b> may apply. For example, this <b>plan</b> covers certain <b>preventive services</b> without cost-sharing and before you meet your <b>deductible</b> . See a list of covered <b>preventive services</b> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	Yes. \$200 external prosthetic appliance annual <b>deductible</b> . There are no other specific <b>deductibles</b> .	You must pay all of the costs for these services up to the specific <b>deductible</b> amount before this <b>plan</b> begins to pay for these services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	In- <b>Network</b> : \$5,500/individual or \$11,000 /family (medical, prescription and mental health combined) Out-of- <b>Network</b> : \$11,000/individual or \$22,000/family (medical, prescription and mental health combined)	The <b>out-of-pocket limit</b> is the most you could pay in a year for covered services. If you have other family members in this <b>plan</b> , they have to meet their own <b>out-of-pocket limits</b> until the overall family <b>out-of-pocket limit</b> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Penalties, <b>premiums</b> , <b>balance billing</b> charges, <b>copayments</b> for certain services, and health care this <b>plan</b> doesn't cover.	Even though you pay these expenses, they don't count toward the <b>out-of-pocket limit</b> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.myCigna.com">www.myCigna.com</a> or call 1-866-302-7578 for a list of <b>network providers</b> .	This <b>plan</b> uses a <b>provider network</b> . You will pay less if you use a <b>provider</b> in the <b>plan's network</b> . You will pay the most if you use an out-of- <b>network provider</b> , and you might receive a bill from a <b>provider</b> for the difference between the <b>provider's</b> charge and what your <b>plan</b> pays ( <b>balance billing</b> ). Be aware your <b>network provider</b> might use an out-of- <b>network provider</b> for some services (such as lab work). Check with your <b>provider</b> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <b>specialist</b> you choose without a <b>referral</b> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
