I. Introduction

About This Plan
This Certificate of Coverage is issued by 4 Ever Life Insurance Company ("Insurer") through a policy issued to HTH International Group Insurance Trust.

In this Plan, "Insurer" means the 4 Ever Life Insurance Company. The "Eligible Participant" is the person who meets the eligibility criteria of this Certificate. The term "Insured Person," means the Eligible Participant and any Insured Dependents.

The benefits of this Plan are provided only for those services that the Insurer determines are Medically Necessary and for which the Insured Person has benefits. The fact that a Physician prescribes or orders a service does not, by itself, mean that the service is Medically Necessary or that the service is a Covered Expense. If the Eligible Participant has any questions about whether services are covered, he/she should consult this Certificate of Coverage or telephone the Insurer at the number shown on his/her identification card.

This Certificate of Coverage contains many important terms (such as "Medically Necessary" and "Covered Expense") that are defined in Part III and capitalized throughout the Certificate of Coverage. The Eligible Participant may wish to consult Part III for the meanings of these words as they pertain to this Certificate of Coverage before reading through this Certificate of Coverage.

The Insurer has issued a Policy to the Group identified on the Eligible Participant's identification card. The benefits and services listed in this Certificate of Coverage will be provided for Insured Persons for a covered Illness, Injury, or condition, subject to all of the terms and conditions of the Policy.

Use of Administrator: The Insurer will use a third party administrator to perform certain of its duties on its behalf. The Group and the Insured Participant are hereby notified of the use of Worldwide Insurance Services as its administrator.

Choice of Hospital and Physician: Nothing contained in this Plan restricts or interferes with the Eligible Participant's right to select the Hospital or Physician of the Eligible Participant's choice. Also, nothing in this Plan restricts the Eligible Participant's right to receive, at his/her expense, any treatment not covered in this Plan.

Providers outside the U.S.: Covered Expenses for these Foreign Country Providers are based on Reasonable Charges, which may be less than actual billed charges. Foreign Country Providers can bill the Eligible Participant for amounts exceeding Covered Expenses. Worldwide Insurance Services provides a list to Eligible Participants of Foreign Country Providers with whom Worldwide Insurance Services has contracted to accept assignment of claims and direct payments from the Insurer or its Administrator for Covered Expenses incurred by Insured Persons, thus alleviating the necessity of the Insured Person paying the Foreign Country Provider and submitting a claim for reimbursement. This particular group of Foreign Country Providers are not Participating Providers, but rather a group of Foreign Country Providers for whom Worldwide Insurance Services is able to provide background information and to arrange access for Insured Persons.

Services inside the U.S., Puerto Rico, and the U.S. Virgin Islands
Worldwide Insurance Services has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as "Inter-Plan Programs." Whenever you obtain healthcare services inside the United States, Puerto Rico, or the United States Virgin Islands, the claims for these services may be processed through one of these Inter-Plan Programs, which include the BlueCard Program and may include negotiated National Account arrangements available between Worldwide Insurance Services and other Blue Cross and Blue Shield Licensees.

Typically, when accessing care inside the United States, Puerto Rico, and the United States Virgin Islands, you will obtain care from healthcare providers that have a contractual agreement (i.e., are "participating providers") with the local Blue Cross and/or Blue Shield Licensee in that geographic area ("Host Blue"). In some instances, you may obtain care from providers that do not contract with the Host Blue (non-participating healthcare providers). Worldwide Insurance Services payment practices in both instances are described below.

A. BlueCard® Program

Under the BlueCard® Program, when you access covered healthcare services within the geographic area served by a Host Blue, Worldwide Insurance Services will remain responsible for fulfilling Worldwide Insurance Services contractual obligations. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating healthcare providers.

Whenever you access covered healthcare services inside the United States, Puerto Rico, and the United States Virgin Islands, and the claim is processed through the BlueCard Program, the amount you pay for covered healthcare services is calculated based on the lower of:

- The billed covered charges for your covered services; or
- The negotiated price that the Host Blue makes available to Worldwide Insurance Services.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing for the types of transaction modifications noted above. However, such adjustments will not affect the price Worldwide Insurance Services uses for your claim because they will not be applied retroactively to claims already paid.

Laws in a small number of U.S. States may require the Host Blue to add a surcharge to your calculation. If any of these state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any covered healthcare services according to applicable law.

B. Non-Participating Healthcare Providers inside the U.S., Puerto Rico, and the U.S. Virgin Islands

1. Member Liability Calculation

   When covered healthcare services are provided inside the United States, Puerto Rico, or the United States Virgin Islands by non-participating healthcare providers, the amount you pay for such services will generally be based on either the Host Blue's non-participating healthcare provider local payment or the pricing arrangements required by applicable law. In these situations, you may be liable for the difference between the amount that the non-participating healthcare provider bills and the payment Worldwide Insurance Services will make for the covered services as set forth in this paragraph.

2. Exceptions

   In certain situations, Worldwide Insurance Services may use other payment bases, such as billed covered charges, or a special negotiated payment, as permitted under Inter-Plan Programs Policies, to determine the amount we will pay for services rendered by non-participating healthcare providers. In these situations, you may be liable for the difference between the amount that the non-participating healthcare provider bills and the payment Worldwide Insurance Services will make for the covered services as set forth in this paragraph.

Benefit Overview Matrix

II. Who is eligible for coverage?

Eligible Participants and their Eligible Dependents are the only people qualified to be covered by the Policy. The following section describes who qualifies as an Eligible Participant or Eligible Dependent, as well as information on when, who to enroll, and when coverage begins and ends.

Who is Eligible to Enroll under This Plan? An Eligible Participant:
1. Is a employee of a Group covered under the Policy.
2. Has submitted an enrollment form, if applicable, and the premium to the Insurer.

Eligible Participant – An Eligible Participant includes:

Eligible Employee
An Eligible Employee means a permanent full time employee or trainee, who usually works at least 30 hours a week in the conduct of the Group's business. Sole proprietors and partners are also eligible to enroll if they are actively engaged on a full-time basis. An Eligible Employee does not include an employee who works on a part-time, temporary, or substitute basis. An Eligible Employee also includes officers and directors of the Group regardless of the number of hours a week devoted to the conduct of the Group's business. An Eligible employee resides outside his/her Home Country and is scheduled to reside outside his/her Home Country for a period greater than 6 months.

Eligible Dependents
An Eligible Dependent means a person who is the Eligible Participant's:
1. Spouse;
2. natural child, stepchild or legally adopted child who has not yet reached age 26;
3. own or spouse's own unmarried child, of any age, enrolled prior to age 26, who is incapable of self-support due to continuing mental retardation or physical disability and who is chiefly dependent on the Eligible Participant or spouse. The Insurer requires written proof from a Physician of such disability and dependency within 31 days of the child's 26th birthday and annually thereafter.
4. grandchild, niece or nephew who otherwise qualifies as a dependent child, if: (i) the child is under the primary care of the Insured Participant; and (ii) the legal guardian of the child, if other than the Insured Participant, is not covered by an accident or sickness policy.

As used above:
1. The term "primary care" means that the Insured Participant provides food, clothing and shelter on a regular and continuous basis during the time that the public schools are in regular session.
2. The term "spouse" means the Eligible Participant's spouse as defined or allowed by the state where the Policy is issued. This term includes a common law spouse if allowed by the State where the Policy is issued.

A person **may not** be an Insured Dependent for more than one Insured Participant.

Additional Requirements for an Eligible Participant and Eligible Dependents: An Eligible Participant or an Eligible Dependent must meet all of the following requirements:
1. Country of Assignment is other than the Eligible Participant's Home Country.

Application and Effective Dates
Coverage for an Eligible Participant and his or her Eligible Dependents will become effective if the eligible person submits a properly completed application to the Insurer, is approved for coverage by the Insurer, and the Group and/or the Eligible Participant pays the Insurer the premium. The Effective Date of Coverage under the Plan is indicated below:
1. Any person who qualifies as an Eligible Participant of the Group on the day prior to the Effective Date of the Policy, or any person who has continued group coverage with the Group under applicable federal or state law on the date immediately preceding the Effective Date of the Policy, is eligible as of the Effective Date of the Policy. The application, if applicable, for this Eligible Participant should be submitted with the Group application.
2. The Effective Date for a participant who becomes eligible after the Effective Date of the Policy will be the first of the month following the Waiting Period (the Initial Eligibility Date), provided the Insurer receives a fully completed application prior to the Initial Eligibility Date. The Effective Date will be the first of the month following the date the Insurer approves the application.
3. If a person meets the above definition of an Eligible Dependent on the date the Eligible Participant is qualified to apply for the Plan, then the Eligible Dependent qualifies to apply at the same time that the Eligible Participant applies, and should be included on the Eligible Participant's application.
4. For a person who becomes an Eligible Dependent after the date the Eligible Participant's coverage begins, the Eligible Dependent is qualified to apply for the Plan within 31 days following the date he/she meets the above definition of an Eligible Dependent. Coverage for the Eligible Dependent will become effective in accordance with the following provisions subject to approval by the Insurer:
    a. Newborn Children: Coverage will be automatic for the first 31 days following the birth of an Insured Participant's ` child. To continue coverage beyond 31 days, the Newborn child must be enrolled within 31 days of birth.
    b. Court Ordered Coverage for a Dependent: If a court has ordered an Insured Participant to provide coverage for an Eligible Dependent who is a spouse or minor child, coverage will be automatic for the first 31 days following the date on which the court order is issued. To continue coverage beyond 31 days, an Insured Participant must enroll the Eligible Dependent within that 31-day period.

c. Adopted Children: An Insured Participant's adopted child is automatically covered for Illness or Injury for 31 days from either the date of placement of the child in the home, or the date of the final decree of adoption, whichever is earlier. To continue coverage beyond 31 days, an Insured Participant must enroll the adopted child within 31 days from either the date of placement or the final decree of adoption.
d. Other Dependents: A written application **must be received within 31 days of the date that a person first qualifies** as an Eligible Dependent. Coverage will become effective on the first day of the month following date of approval.

5. If the application is not received within the time frames outlined above, the Eligible Participant/Dependent will become a Late Enrollee. The Late Enrollee may become covered for Participant and/or Dependent coverage only if he or she submits an application within the 31 day Annual Open Enrollment Period that ends each Calendar Year on the anniversary of the Effective Date of the Policy. A Late Enrollee may **not** enroll at any time other than during the Annual Open Enrollment Period. A Late Enrollee's coverage must be approved by the Insurer in writing and will become effective on the first day of the month following the date the Insurer receives and approves the application.

All applications, if applicable, must be approved by the Insurer for coverage to go into effect.

In no event will an Eligible Dependent's coverage become effective prior to the Eligible Participant's Effective Date of Coverage.

Notification of Eligibility Change

1. Any person who does not satisfy the eligibility requirements is not covered by the Plan and has no right to any of the benefits provided under the Plan.
2. The Group and/or the Insured Participant must notify the Insurer within 31 days of any change that affects an individual's eligibility under the Plan, including the additional requirements for an Eligible Participant and Eligible Dependents.

Special Enrollment Periods

1. Eligible Participants who do not enroll themselves and/or their Eligible Dependents during the Initial Enrollment Period because they have other coverage may do so within 31 days after that other coverage terminates if the following requirements are met:
   a. If the other coverage was COBRA continuation under another plan, that continuation must have been exhausted before the Eligible Participant may enroll the affected persons under this Plan.
   b. If the other coverage was not COBRA continuation, then any employer contribution toward the cost of the coverage must have terminated or that coverage must itself have been terminated because of a loss of eligibility by the person through whom coverage was obtained. Loss of eligibility for coverage includes loss of coverage as a result of:
      i. legal separation or divorce;
      ii. death;
      ii. termination of employment or reduction in hours of employment.

   The Eligible Participant must have declined enrollment for employee and/or dependent coverage during the Initial Enrollment Period by means of a written statement that the reason for declining enrollment was other coverage.

2. An Eligible Participant who did not enroll during the Initial Enrollment Period may enroll for participant and/or dependent coverage within 31 days after he or she marries or acquires an Eligible Dependent Child or Children by birth, adoption, or placement for adoption.
3. An Eligible Participant who did not enroll his or her spouse during an Initial Enrollment Period may enroll that spouse within 31 days after the Eligible Participant acquires an Eligible Dependent Child or Children by birth or adoption or placement for adoption.

If an Eligible Participant does not apply within the 31 days of the Initial Enrollment Period or within the 31 days of a Special Enrollment Period as outlined above, he/she will become a Late Enrollee.

How Coverage Ends

Insured Participants

The Insured Participant's coverage ends without notice from the Insurer on the earlier of:

1. the last day of the month after the date the Insured Participant no longer meets the definition of an Eligible Participant;
2. the end of the last period for which premium payment has been made to the Insurer;

It is the responsibility of your Group to notify you of the termination of the Group Policy, but your coverage will automatically terminate as of the effective date of termination of the Group Policy regardless of whether such notice is given.

No benefits are available to you for services or supplies rendered after the date of termination of your coverage under this Certificate except as otherwise specifically stated in the "Extension of Benefits" provisions of this Certificate or as specified below when your entire Group's coverage terminates. However, termination of the Group Policy and/or your coverage under this Certificate shall not affect any Claim for Covered Services rendered prior to the effective date of such termination.

The Insured Participant should check with his/her employer for details.

Failure or delay by the Insurer or designated administrator in providing the notice shall not reduce, eliminate or postpone the designated administrator's obligation to pay premiums on behalf of such legally separated, divorced or surviving spouse to the designated administrator during such period.

If a legally separated, divorced or surviving spouse elects continuation of coverage, premium payments are as follows:

1. During the period of time covered by COBRA, the monthly contribution for the premium shall not be greater than the amount that would be charged if the legally separated, divorced or surviving spouse were a current Insured Person of Policy plus the amount that the Employer would contribute toward the premium if the legally separated, divorced or surviving spouse were an Insured Person plus an additional amount not to exceed two percent of the Insured Person and Employer contributions, for the cost of administration. IV. How the Plan Works

The Insured Person's Plan pays a portion of his/her Covered Expenses after he/she meets his/her Deductible each Calendar Year. This section describes the Deductible and Copayments and discusses steps he/she should take to ensure that he/she receives the highest level of benefits available to him/her under this Plan. See Definitions (Section III) for a definition of Covered Expenses and Covered Services.

The benefits described in the following sections are provided for Covered Expenses incurred by the Insured Person while covered under this Plan. An expense is incurred on the date the Insured Person receives the service or supply for which the charge is made. These benefits are subject to all provisions of this Plan, which may limit benefits or result in benefits not being payable.

Either the Insured Person or the provider of service must claim benefits by sending the Insurer properly completed claim forms itemizing the services or supplies received and the charges.

Benefits
This Benefits section shows the maximum Covered Expense for each type of provider.

No benefits are payable unless the Insured Person's coverage is in force at the time services are rendered, and the payment of benefits is subject to all the terms, conditions, limitations and exclusions of this Plan.

Participating Hospitals, Participating Physicians and Other Participating Providers
Covered Expenses for Participating Providers are based on the Insurer's Negotiated Rate. Participating Providers have agreed **NOT** to charge the Eligible Participant and the Insurer more than the Insurer's Negotiated Rates. In addition, Participating Providers will file claims with the Insurer for the Eligible Participant.

2. By a Physician or other provider, in excess of the lesser of the maximum Covered Expense stated above; or
   a. For providers who accept Medicare assignment, the approved amount as determined by Medicare; or

Deductibles will be credited on the Insurer's files in the order in which the Insured Person's claims are processed, not necessarily in the order in which he/she receives the service or supply.

The **in network** (Participating Providers) Coinsurance Maximum per Insured Person per Calendar Year is as stated in the Overview Matrix.

Once the **out of network** (Non-Participating Provider) Coinsurance Maximum is met, the Insurer will pay the percentage of Reasonable Charges for Non-Participating Providers for the remainder of the Calendar Year as stated in the Overview Matrix.

VII. Prescription Drug Benefits

Introduction and Definitions
To understand the Insured Person's Prescription Drug Benefits, it may be helpful to review these important terms:

Average Wholesale Price (AWP) is the average wholesale price of a Drug as determined by the Insurer.

Brand Name Prescription Drug (Brand Name) is a Prescription Drug that has been patented and is only produced by one manufacturer.

Drugs (Prescription Drugs) mean Prescription Drugs approved by state law or the Federal Food and Drug Administration for general use by the public. (See section on Conditions of Service for exceptions.) For purposes of this benefit, insulin is considered a Prescription Drug.

Generic Prescription Drug (Generic) is a pharmaceutical equivalent of one or more Brand Name Drugs and must be approved by the Food and Drug Administration as meeting the same standards of safety, purity, strength and effectiveness as the Brand Name Drug.

Maintenance Prescription Drugs are Prescription Drugs that are taken for an extended period of time to treat a medical condition.

Participating Pharmacy is a Pharmacy that has a Participating Pharmacy agreement in effect with the Insurer at the time services are rendered. Call the Insured Person's local Pharmacy or call the toll-free Prescription Benefit Customer Service phone number (1-855-282-3517) for a list of Participating Pharmacies in the Insured Person's area.

Pharmacy means a licensed retail pharmacy.

Prescription means a written order issued by a Physician.

What Is Covered
1. Outpatient Drugs and medications that federal and/or State law restrict to sale by Prescription only.
2. Insulin.
3. Insulin syringes prescribed and dispensed for use with insulin.
4. All non-infused compound Prescriptions that contain at least one covered Prescription ingredient.

The drug or medicine must **not** be used while the Insured Person is an inpatient in any facility.

The Prescription must not exceed a 180 -day supply.

Reimbursement
Many Prescription Drugs are available in Generic form, which is more cost effective for the Insured Person. It may be to the Eligible Participant's advantage to ask the Insured Person's Physician to prescribe and the Insured Person's pharmacist to dispense Generic Drugs whenever possible.

The amount reimbursed by the Insurer for claims for Prescription Drugs is separate from and will not be applied toward any coinsurance amount described in the Covered Services section of this Plan.

When the Insured Person Goes to a Participating Pharmacy
When the Insured Person or an Insured Dependent has a Prescription filled, the Insured Person's identification card should be presented and the Insured Person should identify himself/herself as an Insured Person of the Insurer. The Pharmacy will calculate the Insured Person's remaining deductible and Copayment. The Insured Person will not need to submit claim forms but is responsible for paying Deductible and Co-insurance amounts to the Pharmacy. The Insured Person will have the following Copayment for each covered Prescription and/or refill **after his/her Deductible is satisfied**:
1. For Generic Prescription Drugs, the Insured Person pays as stated in the Schedule of Benefits**.**
2. For Brand Name Prescription Drugs, the Insured Person pays as stated in the Schedule of Benefits.
3. For injectable, the Insured Person pays as stated in the Schedule of Benefits.

For information on how to locate a Participating Pharmacy in the Insured Person's area, call 1-855-282-3517.

When the Insured Person Goes to a Non-Participating Pharmacy
If the Insured Person purchases a Prescription Drug from a Non-Participating Pharmacy, he/she will be responsible for the amount stated in the Schedule of Benefits as well as any charge, which exceeds the Reasonable Charge of the Drug. He/she will need to have the pharmacist complete his or her portion of the Prescription Drug Claim Form. The Insured Person will pay the pharmacist for the Prescription, complete the Insured Person's portion of the Prescription Claim Form and then submit the Eligible Participant's claim to the Insurer for reimbursement within 15 months of the date of purchase. If the Insured Person has not satisfied his/her Deductible at the time his/her claim is submitted, the amount the Insured Person paid for the Prescription may be applied toward his/her Deductible amount. The Insured Person's Prescription is considered purchased on the date he/she receives the Drug for which the charge is made. The completed claim form should be submitted to the address included on the Prescription Claim Form.

When the Insured Person has his/her Prescription filled at a Non-Participating Pharmacy he/she will be reimbursed at the following rate for each covered Prescription and/or refill **after the Insured Person's deductible is satisfied**:
1. For Generic Prescription Drugs, the Insured Person pays as stated in the Schedule of Benefits **plus any amount over Reasonable Charges.**
2. For Brand Name Prescription Drugs, the Insured Person pays as stated in the Schedule of Benefits, **plus any amount over Reasonable Charges.**

VIII. General Provisions

Third Party Liability

No benefits are payable for any Illness, Injury, or other condition for which a third party may be liable or legally responsible by reason of negligence, an intentional act, or breach of any legal obligation on the part of such third party. Nevertheless, the Insurer will advance the benefits of this Plan to the Insured Person subject to the following:

1. The Insured Participant agrees to advise the Insurer, in writing, within 60 days of any Insured Person's claim against the third party and to take such action, provide such information and assistance, and execute such paper as the Insurer may require to facilitate enforcement of the claim. The Insured Participant and Insured Person also agree to take no action that may prejudice the Insurer's rights or interests under this Plan. Failure to provide notice of a claim or to cooperate with the Insurer, or actions that prejudice the Insurer's rights or interests, will be material breach of this Plan and will result in the Insured Participant being personally responsible for reimbursing the Insurer.
2. The Insurer will automatically have a lien, to the extent of benefits advanced, upon any recovery that any Insured Person receives from the third party, the third party's insurer, or the third party's guarantor. Recovery may be by settlement, judgment or otherwise. The lien will be in the amount of benefits paid by the Insurer under this Plan for the treatment of the Illness, disease, Injury or condition for which the third party is liable.

Coordination of Benefits (COB)

If the Insured Person is covered by more than one group medical plan, the Insured Person's benefits under this Plan will be coordinated with the benefits of those Other Plans, as shown below. These coordination provisions apply separately to each Insured Person, per Calendar year, and are largely determined by law. Any coverage you have for medical benefits will be coordinated as shown below.

Definitions

The meanings of key terms used in this section are shown below. Whenever any of the key terms shown below appear in these provisions, the first letter of each word will be capitalized. When the Insured Person sees these capitalized words, then he/she should refer to this Definitions provision.

Allowable Expense is any necessary, reasonable and customary item of expense, which is at least partially covered by at least one or more plans covering the Insured Person for whom claim is made.

Other Plan is any of the following:

1. Group, blanket or franchise insurance coverage, except blanket student accident coverage;
2. Group service plan contract, group practice, group individual practice and other group prepayment coverages;
3. Group coverage under labor management trustee plans, union benefit organization plans, employer organization plans, employee benefit organization plans, or self-insured employee benefit plans.

The term "Other Plan" refers separately to each agreement, policy, contract, or other arrangement for services and benefits, and only to that portion of such agreement, policy, contract, or arrangement, which reserves the right to take the services or benefits of other plans into consideration in determining benefits.

Primary Plan is that plan which will have its benefits determined first.

Secondary Plan is the plan, which will have its benefits determined after the Primary Plan.

This Plan is that portion of this Plan, which provides benefits subject to this provision.

Order of Benefits Determination

The following rules determine the order in which benefits are payable:

1. A plan, which has no Coordination of Benefits provision, pays before a plan, which has a Coordination of Benefits provision.
2. A plan which covers the Eligible Participant as an Insured Employee pays before a plan that covers the Eligible Participant as an Insured Dependent.
3. For a dependent child covered under plans of two parents, the plan of the parent whose birthday falls earlier in the Calendar Year pays before the plan of the parent whose birthday falls later in the Calendar Year. But if one plan does not have a birthday rule provision, the provisions of that plan determine the order of benefits.

   Exception to Rule 3: For a dependent child of parents who are divorced or separated, the following rules will be used in place of Rule 3:
   A. If the parent with custody of that child for whom a claim has been made has not remarried, then the plan of the parent with custody that covers that child as an Insured Dependent pays first.
   B. If the parent with custody of the child for whom a claim has been made has remarried, then the order in which benefits are paid will be as follows:
      1. The plan which covers the child as an Insured Dependent of the parent with custody.
      2. The plan which covers the child as an Insured Dependent of the stepparent (married to the parent with custody).
      3. The plan which covered the child as an Insured Dependent of the parent without custody.
      4. The plan which covers the child as an Insured Dependent of the stepparent (married to the parent without custody).

C. Regardless of (A) and (B) above, if there is a court decree which establishes a parent's financial responsibility for that child's health care coverage, a plan which covers that child as an Insured Dependent of that parent pays first.

4. The plan covering the Insured Participant as a laid-off or retired employee or as an Insured Dependent of a laid-off or retired participant pays after a plan covering the Insured Participant as other than a laid-off or retired participant or the Insured Dependent of such a person. But if either plan does not have a provision regarding laid-off or retired participant, Rule 6 applies.
5. If an Insured Person whose coverage is provided under a right of continuation pursuant to federal or state law is also covered under another plan, the following shall be the order of benefit determination:
   a. First the benefits of a plan covering the Insured Person as an Employee, member or subscriber or dependent.
   b. Second the benefits under the continuation coverage.
6. When the above rules do not establish the order of payment, the plan on which the Insured Person has been enrolled the longest pays first unless two of the plans have the same effective date.

The Insurer's Rights Under This Provision

Right to Receive and Release Needed Information: Certain facts are needed to apply these COB rules. The Insurer may get material facts from each person claiming benefits and also gather material facts from or give them to any other insurance company or Group Health Benefit Plan administrator with whom the Insurer coordinates benefits.

Responsibility for Timely Notice: The Insurer is not responsible for coordination of benefits unless timely information has been provided by the requesting party regarding the application of this provision.

Reasonable Cash Value: If any Other Plan provides benefits in the form of services rather than cash payment, the reasonable cash value of services provided will be considered Allowable Expense. The reasonable cash value of such service will be considered a benefit paid, and the Insurer's liability reduced accordingly.

Facility of Payment: If payments which should have been made under this Plan have been made under any Other Plan, the Insurer has the right to pay that Other Plan any amount the Insurer determines to be warranted to satisfy the intent of this provision. Any such amount will be considered a benefit paid under This Plan, and such payment will fully satisfy the Insurer's liability under this provision.

Right of Recovery: If payments made under This Plan exceed the maximum payment necessary to satisfy the intent of this provision, the Insurer has the right to recover that excess amount from any persons or organizations to or for whom those payments were made, or from any insurance company or service plan.

Benefits for Medicare Eligible Insured Persons

Insured Persons eligible for Medicare receive the full benefits of this Plan, except for those Insured Persons listed below:

1. Insured Persons who are receiving treatment for end-stage renal disease following the first 30 months such Insured Persons are entitled to end-stage renal disease benefits under Medicare, regardless of group size.
2. Insured Persons who are entitled to Medicare benefits as disabled persons, unless the Insured Persons have a current employment status, as determined by Medicare rules, through a Group of 100 or more employees (subject to COBRA legislation).
3. Insured Persons who are entitled to Medicare for any other reason, unless the Insured Persons have a current employment status, as determined by Medicare rules, through a Group of 20 or more employees (subject to COBRA legislation).

In cases where exceptions 1, 2 or 3 apply, the Insurer will determine the Insurer's payment and then subtract the amount of benefits available from Medicare. The Insurer will pay the amount that remains after subtracting Medicare's payment. Please note, the Insurer will not pay any benefit when Medicare's payment is equal to or more than the amount which we would have paid in the absence of Medicare.

For example: Assume exception 1, 2 or 3 applies to the Insured Person, and he/she is billed for $100 of Covered Expense. And assume in the absence of Medicare, the Insurer would have paid $80. If Medicare pays $50, the Insurer would subtract that amount from the $80 and pay $30. However, if in this example, Medicare's payment is $80 or more, the Insurer will not pay a benefit.

Alternate Cost Containment Provision

If it will result in less expensive treatment, the Insurer may approve services under an alternate treatment plan. An alternate treatment plan may include services or supplies otherwise limited or excluded by the Plan. It must be mutually agreed to by the Insurer, the Insured Person, and the Insured Person's Physician, Provider, or other healthcare practitioner. The Insurer's offering an alternate treatment plan in a particular case in no way commits the Insurer to do so in another case, nor does it prevent the Insurer from strictly applying the express benefits, limitations, and exclusions of the Plan at any other time or for any other Insured Person.

Terms of the Insured Participant's Plan

1. **Entire Contract and Changes**: The entire contract between the Group and the Insurer is as stated in the Policy and the entire contract between the Insured Participant and the Insurer is as stated in the Certificate of Coverage including the endorsements, application, and the attached papers, if any. No change in the Policy or Certificate of Coverage shall be effective until approved by one of the Insurer's officers. This approval must be noted on or attached to the Certificate of Coverage. No agent may change the Policy or waive any of its provisions.

2. **Payment of Premiums:** Premiums are payable in advance. Premiums must be paid monthly including any contributions the Insured Participant must make. The Insurer may change the premium rates from time to time. The Insurer must give the Group written notice of any premium rate change at least 30 days prior to the change. The Insurer may not increase premiums without first providing written notification to the Group at least 30 days prior to the date the increase is to take effect, with the exception of retroactive premium rate increases related to fraud or the intentional misrepresentation of a material fact.

3. **Grace Period:** There is a Grace Period of 31 days allowed for the payment of each premium after the first premium.

4. **Representations:** All statements made by the Insured Participant or the Group shall be considered representations and not warranties. The Insurer must provide the Insured Participant or the Group with a copy of any statements used to contest coverage.

5. **Time Limit on Certain Defenses/Misstatements on the Application:** After two Calendar Years from the Effective Date of the Policy, the Insurer will not contest the validity of the Policy. After two Calendar Years from the Insured Participant's Effective Date of Coverage, no misstatements on the Eligible Participant's application may be used to:
   a. void this coverage, or
   b. deny any claim for loss incurred or disability that starts after the 2 Calendar Year period.

   The above does not apply to fraudulent misstatements.

6. **Legal Actions:** The Insured Person cannot file a lawsuit before 60 days after the Insurer has been given written proof of loss. No action can be brought after 3 Calendar Years from the time that proof is required to be given.

7. **Conformity with State Statutes:** If any provision of this Plan which, on its Effective Date, is in conflict with the statutes of the state in which the Policyholder resides, it is amended to conform to the minimum requirements of those statutes.

8. **Provision in Event of Partial Invalidity:** If any provision or any word, term, clause, or part of any provision of this Plan shall be invalid for any reason, the same shall be ineffective, but the remainder of this Plan and of the provision shall not be affected and shall remain in full force and effect.

9. **The Claims Process**
   Notice of Claim: Within 20 days after an Insured Person receives Covered Services, or as soon as reasonably possible, he/she or someone on his/her behalf, must notify the Insurer in writing of the claim.

   Within 15 days after the Insurer receive the Insured Person's written notice of claim, the Insurer must:
   a. acknowledge receipt of the claim;
   b. begin any investigation of the claim;
   c. specify the information the Eligible Participant must provide to file proof of loss. (The Insurer can request additional information during the investigation if necessary.)
   d. send the Insured Person any forms the Insurer require for filing proof of loss. If the Insurer does not send the forms within this time period, the Insured Person can file proof of loss by giving the Insurer a letter describing the occurrence, the nature and the extent of the Insured Person's claim. The Insured Person must give the Insurer this letter within the time period for filing proof of loss.

   Proof of Loss: Within 90 days after the Insured Person receives Covered Services, he/she must send the Insurer written proof of loss. If it is not reasonably possible to give the Insurer written proof in the time required, the Insurer will not reduce or deny the claim for being late if the proof is filed as soon as reasonably possible. Unless the Insured Person is not legally capable, the required proof must always be given to the Insurer no later than one Calendar Year from the date otherwise required.

   All benefits payable under the Plan will be payable immediately upon receipt of written proof of such loss. Should the Insurer fail to pay the benefits payable under the Plan, the Insurer shall have 15 workings days thereafter within which to mail the Insured Person a letter or notice which states the reasons the Insurer may have for failing to pay the claim, either in whole or in part, and which also gives the Insured Person a written itemization of any documents or other information needed to process the claim or any portions thereof which are not being paid. When all of the listed documents or other information needed to process the claim has been received, the Insurer shall then have 15 working days within which to process and either pay the claim or deny it, in whole or in part, giving the Insured Person the reasons the Insurer may have for denying such claim or any portion thereof.

   Subject to proof of loss, all accrued benefits payable under the Plan for loss of time will be paid not later than at the expiration of each period of 30 days during the continuance of the period for which the Insurer are liable and any balance remaining unpaid at the termination of such period will be paid immediately upon receipt of such proof.

   Prompt Payment of Claims: This provision applies to all Claims related to hospital, medical or surgical expenses. Within 48 hours after receipt of an electronically filed claim by the Insurer or its designated representative, such Insurer or representative shall send an electronic acknowledgment of the date of receipt.

Within 30 business days after receipt of a filed claim by the Insurer or its designated representative, such Insurer or representative shall send an electronic or facsimile notice of the status of the claim that notifies the claimant:

1. Whether the claim is a Clean Claim ; or
2. The claim requires additional information from the claimant.

If the claim is a Clean Claim , then the Insurer or its designated representative shall pay or deny the claim.

If the claim requires additional information, the Insurer or its designated representative shall include in the notice a request for additional information. Within 10 business days after receipt of additional information by the Insurer or its designated representative, the Insurer or its designated representative shall either

1. pay the claim or any undisputed part of the claim; or
2. send an electronic or facsimile notice of receipt and status of the claim:
    a. That denies all or part of the claim and specifies each reason for denial; or
    b. That makes a final request for additional information.

Within 5 business days after the day on which the Insurer or its designated representative receives the additional requested information in response to a final request for information, it shall pay the claim or any undisputed part of the claim or deny the claim.

If the Insurer or its designated representative has not paid the claimant on or before the 45 business day from the date of receipt of the claim, the Insurer or its designated representative shall pay the claimant one percent interest per month and a penalty in an amount equal to one percent of the claim per day. The interest and penalty shall be calculated based upon the unpaid balance of the claim as of the 45th business day. The interest and penalty paid shall be included in any late reimbursement without the necessity for the person that filed the original claim to make an additional claim for that interest and penalty. The Insurer may combine interest payments and make payment once the aggregate amount reaches $100. Any claim which has been properly denied before the 45th business day shall not be subject to interest or penalties. Such interest and penalties shall cease to accrue on the day after a petition is filed in a court of competent jurisdiction to recover payment of such claim. Upon a finding by a court of competent jurisdiction that the Insurer or its designated representative failed to pay a claim, interest, or penalty without good cause, the court shall enter judgment for reasonable attorney fees for services necessary for recovery. Upon a finding that a Provider filed suit without reasonable grounds to recover a claim, the court shall award the Insurer reasonable attorney fees necessary to the defense.

Denial of a claim shall be communicated to the claimant and shall include the specific reason why the claim was denied. Any claim for which the health carrier has not communicated a specific reason for the denial shall not be considered denied.

Requests for additional information shall specify all of the documentation and additional information that is necessary to process all of the claim, or all of the claims on a multi-claim form, as a Clean Claim for payment. Information requested shall be reasonable and pertain solely to the Insurer's liability. The Insurer or its designated representative shall acknowledge receipt of the requested additional information to the claimant within 5 calendar days or pay the claim.

Time Payment of Claims: Benefits for claims other than for hospital, medical or surgical expenses for a loss covered under this Plan will be paid as soon as the Insurer receives proper written proof of such loss. Any benefits payable to the Eligible Participant and unpaid at the Eligible Participant's death will be paid to the Insured Person's estate.

Payment of Claims: The Insurer may pay all or a portion of any indemnities provided for health care services to the participating health care services provider, unless the Insured Participant directs otherwise in writing by the time proofs of loss are filed. The Insurer will pay all or a portion of any indemnities provided for health care services by a nonparticipating health care services provider directly to the Insured Person, unless the Insured Participant directs otherwise in writing by the time proofs of loss are filed. The Insurer cannot require that the services be rendered by a particular health care services provider.

Assignment of Claim Payments: The Insurer will recognize any assignment made under the Plan, if:

1. It is duly executed on a form acceptable to the Insurer; and
2. A copy is on file with the Insurer.

The Insurer assumes no responsibility for the validity or effect of an assignment.

Payment for services provided by a Participating Provider is automatically assigned to the provider. The Participating Provider is responsible for filing the claim and the Insurer will make payments to the provider for any benefits payable under this Plan. Payment for services provided by a Non-Participating Provider are payable to the Insured Participant unless assignment is made as above.

Payment to a Managing Conservator: Benefits paid on behalf of a covered dependent child may be paid to a person who is not the Insured Participant, if an order issued by a court of competent jurisdiction in this or any other state names such person the managing conservator of the child.

To be entitled to receive benefits, a managing conservator of a child must submit to the Insurer with the claim form, written notice that such person is the managing conservator of the child on whose behalf the claim is made and submit a certified copy of a court order establishing the person as managing conservator. This will not apply in the case of any unpaid medical bill for which a valid assignment of benefits has been exercised or to claims submitted by the Insured Participant where the Insured Participant has paid any portion of a medical bill that would be covered under the terms of the Plan.

Misstatement of Age: If the age of an Insured Person has been misstated, an adjustment of premiums shall be made based on the Insured Person's true age. If age is a factor in determining eligibility or amount of insurance and there has been a misstatement of age, the insurance coverages or amounts of benefits, or both, shall be adjusted in accordance with the Insured Person's true age. Any such misstatement of age shall neither continue insurance otherwise validly terminated nor terminate insurance otherwise validly in force.

Right to Recovery: If the Insurer makes benefit payments in excess of the benefits payable under the provisions of the Plan, the Insurer has the right to recover such excess from any persons to, or for, or with respect to whom, such payments were made.

Plan Administrator. In no event will the Insurer be plan administrator for the purpose of compliance with the Consolidated Omnibus Budget Reconciliation Act (COBRA) or the Employee Retirement Income Security Act (ERISA). The term "plan administrator" refers either to the Group or to a person or entity other than the Insurer, engaged by the Group to perform or assist in performing administrative tasks in connection with the Group's health plan. The Group is responsible for satisfaction of notice, disclosure and other obligations of administrators under ERISA. In providing notices and otherwise performing under the Continuation (COBRA) section of this certificate (if applicable), the Group is fulfilling statutory obligations imposed on it by federal law and, where applicable, acting as the Eligible Participant's agent.

Waiver of Rights: Failure by the Insurer to enforce or require compliance with any provision herein will not waive, modify or render such provision unenforceable at any other time, whether the circumstances are or are not the same.

Physical Exam and Autopsy: The Insurer has the right to require a medical examination, at reasonable intervals, or an autopsy, where not prohibited by law, when a claim is made. If an examination or autopsy is required, the Insured Participant will not have to pay for it.

Required Information: The Group will furnish the Insurer all information necessary to calculate the Premium and all other information that the Insurer may require. Failure of the Group to furnish the information will not invalidate any insurance, nor will it continue any insurance beyond the last day of coverage. The Insurer has the right to examine any records of the Group, any person, company or organization which may affect the Premiums and benefits of the Plan.

The Insurer's right to examine any records that exist:
1. During the time the Plan is in force; or
2. Until the Insurer pay the last claim.

The Insurer is not responsible for any claim for damages or injuries suffered by the Insured Person while receiving care in any Hospital, Ambulatory Surgical Center, Skilled Nursing Facility, or from any Participating or Non-Participating Provider. Such facilities and providers act as independent contractors and not as employees, agents or representatives of the Insurer.

The Insurer will provide written notice to the Insured Participant within a reasonable period of time of any Participating Provider's termination or breach of, or inability to perform under, any provider contract, if the Insurer determines that the Insured Participant or his/her Insured Dependents may be materially and adversely affected, and provide the Insured Participant with a current list of Participating Providers.

The Insurer will provide the Group with an updated list of local Participating Providers annually. If the Insured Participant needs a new provider listing for any other reason, he/she may call the Insurer at, and the Insurer will provide the Insured Participant with one.

The Insurer is entitled to receive from any provider of service information about the Insured Person which is necessary to administer claims on the Insured Person's behalf. This right is subject to all applicable confidentiality requirements. By submitting an application for coverage, the Insured Participant has authorized every provider furnishing care to disclose all facts pertaining to the Insured Participant's and his/her Insured Dependent's care, treatment, and physical condition, upon the Insurer's request. The Insured Participant agrees to assist in obtaining this information if needed.

Payments of benefits under this Plan neither regulate the amounts charged by providers of medical care nor attempt to evaluate those services. **HOWEVER, THE AMOUNT OF BENEFITS PAYABLE UNDER THIS PLAN WILL BE DIFFERENT FOR NON-PARTICIPATING PROVIDERS THAN FOR PARTICIPATING PROVIDERS.**

Grievance Procedures: If the Insured Person's claim is denied in whole or in part, he/she will receive written notification of the denial. The notification will explain the reason for the denial.

The Insured Person has the right to appeal any denial of a claim for benefits by submitting a written request for reconsideration with the Insurer. Requests for reconsideration must be filed within 60 days after receipt of the written notification of denial. When the Insurer receives the Insured Person's written request, the Insurer will review the claim and arrive at a determination.

If the matter is still not resolved to the Insured Person's satisfaction, he/she may request a second review of the claim by sending the Insurer a written request for a second reconsideration. This written request must be filed within 60 days of the Eligible Participant's receipt of the Insurer's written notification of the result of the first review. If the issue involves a dispute over the coverage of medical services, or the extent of that coverage, the second review will be completed by Physician consultants who did not take part in the initial reconsideration. The Insured Person will be informed, in writing, of the Insurer's final decision.

The Insurer shall not take any retaliatory action, such as refusing to renew or canceling coverage, against the Eligible Participant or the Group because the Eligible Participant, the Group, or any person acting on the Eligible Participant's or the Group's behalf, has filed a complaint against the Insurer or has appealed a decision made by the Insurer.

The Insurer will meet any Notice requirements by mailing the Notice to the Group at the billing address listed on our records. The Group will meet any Notice requirements by mailing the Notice to:

All complaints or disputes relating to coverage under this Plan must be resolved in accordance with the Insurer's grievance procedures. Grievances may be reported by telephone or in writing. All grievances received by the Insurer that cannot be resolved by telephone conversation (when appropriate) to the mutual satisfaction of both the Insured Person and the Insurer will be acknowledged in writing, along with a description of how the Insurer propose to resolve the grievance.

The Insurer shall not take any retaliatory action, such as refusing to renew or canceling coverage, against the Insured Participant and his/her Insured Dependents or the Group because the Insured Participant's, the Group's, or any person's action on the Insured Person's or the Group's behalf, has filed a complaint against the Insurer or has appealed a decision made by the Insurer.
